Presuppositionalism is a school of Christian apologetics that believes the Christian faith is the only basis for rational thought. It presupposes that the Bible is divine revelation and attempts to expose flaws in other worldviews.. It claims that apart from presuppositions, one could not make sense of any human experience, and there can be no set of neutral assumptions from which to reason ...

It seems quite obvious that the Bible uses numbers in patterns. Who can deny that 40 is significant? Jesus was in the desert for 40 days, and the Israelites wandered in the desert for 40 years. Whether or not the analysis of these number patterns is accurate is up for debate, but I present to you ...
