In the history of Europe, the Middle Ages (or medieval period) lasted from the 5th to the 15th century. It began with the fall of the Western Roman Empire and merged into the Renaissance and the Age of Discovery. The Middle Ages is the middle period of the three traditional divisions of Western history: classical antiquity, the medieval period, and the modern period.

Abstract Expressionism had a great impact on both the American and European art scenes during the 1950s. Indeed, the movement marked the shift of the creative centre of modern painting from Paris to New York City in the postwar decades. In the course of the 1950s, the movement's younger followers increasingly followed the lead of the colour-field painters and, by 1960, its participants had ...
