Wole Soyinka, one of Nigeria's best-known and most beloved poets, has also written plays and novels and continues to write and lecture as a political activist. He won the Nobel Prize for Literature in 1986. In his poem Season, he draws on his cultural roots and upbringing to describe the scene of waiting for the ...

Poetry Analysis of "Season" by Wole Soyinka | Pen and the Pad

Wole Soyinka's "Telephone Conversation" is an eloquent exchange of dialogue between a dark West African man and his British landlady that inexorably verges on the question of apartheid. The poet makes use of the most articulate means to air his views, through that of a telephone conversation, where there is instant and natural give-and-take.

Wole Soyinka - Global Citizens Poetry Project

Summary. In this short poem preceding the main action of the tragedy, Goethe describes the thoughts that run through his mind as he sits in his study, preparing to work on the manuscript of Faust after a lapse of many years. He seems to see vague forms and shadows floating in the air before his eyes, ghosts that have haunted him all his life, but now they press upon his consciousness with more ...
