

Driftwood A California Road Trip Novel Elizabeth Dutton

Driftwood A California Road Trip

I've been a serial obsessive for most of my life, and many of the things I've obsessed over--eating shrimp two meals a day, wearing green sweat pants, and dying of carbon monoxide poisoning, to name but three--I've managed to, more or less, move past. But music and California are two obsessions that will always dominate...

DRIFTWOOD: A California Road Trip Novel by Elizabeth ...

Los Angeles, California: Clem Jasper is a trust fund kid with a world famous rock musician for a father. When he dies suddenly (playing ping pong) she discovers he's left her a strange legacy—a series of letters that take her on a mysterious road trip around California.

Driftwood: A California Road Trip Novel - Elizabeth Dutton ...

Plus, I love California. Driftwood turned out to be a really nice, quick read. Clementine is the 27-year-old daughter of a rock star. She's isn't unhappy, but she isn't exactly happy either. She's just kind of lost. When her dad suddenly dies, he leaves her letters with instructions for a road trip around California he has planned for her.

DRIFTWOOD A CALIFORNIA ROAD TRIP NOVEL ELIZABETH DUTTON PDF

That's how our road trip to some Texas wineries in Driftwood went this past weekend. We attended a Texas Winery Passport reward for a private tasting for six people at Duchman Family Winery including Gloria's brother and sister-in-law, and they liked it so much they wanted to go back.

Road Trip to Driftwood Texas Wineries - Part 1 | Texas ...

This section of the Northern California and Southern Oregon coast is so beautiful, it's ridiculous. If you're thinking about doing a road trip soon - consider this one. Our Road Trip Along the California and Southern Oregon Coast My husband and I actually did this road trip as part of our honeymoon. We [...]

Northern California and Southern Oregon Coast Road Trip

Take the roads less traveled on this coastal road trip. From San Francisco, head north to discover secret wine country, driftwood strewn beaches and romantic coastal hamlets like Mendocino. Escape to cosy B&Bs and exclusive inns, paddle along a secret river, watch the horizon for spouting whales and watch the fog roll in at sunset.
