CMP provides profitable solutions for our customers across a broad range of North American industries. With state-of-the-art facilities in important regional locations within North America.

CMP Advanced Mechanical Solutions

Products manufactured include complex printed circuit board assemblies, complicated wire harnesses, and complete box build systems built to customer's specifications.

Electronic Solutions Inc.

EME is known as one of the most technically capable, supportive and dependable Non-OEM suppliers of applied electro-mechanical equipment engineering solutions.

EME Associates - Powering Engineered Solutions

IES Systems, Inc. is a global supplier of factory automation and test equipment. We provide cost-effective solutions to manufacturing and engineering professionals, finding ways to meet production quotas and exceed quality standards.
