Fairy Tales Every Child Should

Although the fairy tale is a distinct genre within the larger category of folktale, the definition that marks a work as a fairy tale is a source of considerable dispute. The term itself comes from the translation of Madame D'Aulnoy's *Conte de fées*, first used in her collection in 1697. Common parlance conflates fairy tales with beast fables and other folktales, and scholars differ on the ...

There is much we can learn by reflecting on the stories heard in childhood. Magical characters such as the Pied Piper, the talking frog and the fairy godmother are likely to remain in the imagination for a lifetime. The adventures these stories describe often reflect challenges we face in our journeys. The tales hide a wealth of insights just below the surface.
