Test format - IELTS Home of the English Language Test

The NASM CPT exam is notorious for being one of the most difficult fitness certification exams out there. They purposely try to make it difficult in many ways, like reaching into the depths of the text book to locate the one sentence where that test question can be found [our Audio Lectures and Study Guide help to point these out]. They also have many questions that you must truly understand ...

The 5 Hardest NASM CPT Test Questions (and Answers)
