The education system in New Zealand is a three-tier model which includes primary and intermediate schools, followed by secondary schools (high schools) and tertiary education at universities and polytechnics. The academic year in New Zealand varies between institutions, but generally runs from early February until mid-December for primary schools, late January to late November or early December ...

History. Beijing New Oriental School was established on November 16, 1993, by Yu Minhong, an English teacher at Peking University. He initially focused on the TOEFL and GRE exams but then expanded the company to provide services for various other exams and fields as well. The school is now one of the largest companies in China, [citation needed] and on September 7, 2006, New Oriental was listed ...
