How Quantum Physics, Your Brain, and Your Heart Manifest Your Vision and Goals. For many years I heard that you had to start with a vision for your business or your life if you really wanted to succeed, but no one could explain to me why it was needed or how it worked from a practical or scientific standpoint.

Hey John, this is a great post, as always. It reminds me of a conversation I was having the other night with a Bunco buddy about Yoga. She said that she takes Yoga classes at her local school and doesn't feel like she's getting enough out of it because it's not a heated studio and it's just not hot enough to get the full effects of a Yoga class.
