How To Overcome The 'Entitlement Trap' In Business - Forbes

I can't stand the word "entitlement." I use it sometimes, when people annoy me with their belief that the world owes them something or that their needs are more important than those of others. But when I do this, I'm guilty of the same thing they are: dismissing the importance of someone else's desires and asserting the importance of my own. I get caught in an entitlement trap.
