Once a GM knows what role his NPC needs to fulfill, the character's details can begin taking shape. While not every NPC needs to be a unique masterpiece of imagination, every character the PCs interact with—those important enough to have a speaking role—should have at least three core elements: appearance, motivation, and personality.

The creideamh sí, or fairy-faith, provides us with a rich vein of information as far as the worldview of the Gaels and their beliefs, practices, and lore is concerned. What we see preserved in this lore can tell us not just about the gods, with whom the fairies, or daoine síth, can be said to have become conflated with, 1 but also how they were - and are - worshipped and honoured, and ...

This is due to both version logos having a wolf at the top. Alternately, both legends will be wolf-themed because they'd be based on Skoll and Hati, wolves from Norse mythology who chase the sun and moon in hopes of devouring them.; Building on the original WMG, the form for Sword will be a Glass Cannon while the one for Shield will be a Stone Wall. If a Third Version is released, its ...
