The Wheel On School Meindert

Outside Over There is a picture book for children written and illustrated by Maurice Sendak. It concerns a young girl named Ida, who must rescue her baby sister after the child has been stolen by goblins. Outside Over There has been described by Sendak as part of a type of trilogy based on psychological development from In the Night Kitchen (toddler) to Where the Wild Things Are (pre-school) to ...

The Newbery Medal was established on June 22, 1921, at the annual conference of the American Library Association (ALA). Proposed by Publishers Weekly editor Frederick Melcher, the proposal was well received by the children's librarians present and then approved by the ALA Executive Board. The award was administered by the ALA from the start, but Melcher provided funds that paid for the design ...

Children's literature - Historical sketches of the major literatures: The English have often confessed a certain reluctance to say good-bye to childhood. This curious national trait, baffling to their continental neighbours, may lie at the root of their supremacy in children's literature. Yet it remains a mystery. But, if it cannot be accounted for, it can be summed up.
