### **Trust Me Jeff Abbott**

On the new battlefield in the war on terror, one man will learn to negotiate the thin line between unconditional trust and unspeakable betrayal. Luke Dantry tells people he has a job on the cutting edge of the war on terror—only he knows it's nowhere near as adrenaline-filled as he makes it sound.

### **Trust Me - Jeff Abbott**

I have thoroughly enjoyed each of the 1st 5 Jeff Abbott novels that I have read. My 6th one (Trust Me), however, didn't come close to the others. It was a confusing, convoluted, poorly written story of a young college graduate and his obsession with looking for and documenting the accounts of folks writing anti-American postings on the internet.

### **Trust Me by Jeff Abbott - Goodreads**

Trust Me [Jeff Abbott] on Amazon.com. \*FREE\* shipping on qualifying offers. Luke Dantry finds the bad guys. . .before they're bad guys. He works for a Washington, D.C. think tank as a minor academic who studies the online venting of would-be extremists

### **Trust Me - Kindle edition by Jeff Abbott. Mystery ...**

Luke Dantry tells people he has a job on the cutting edge of the war on terror—only he knows it's nowhere near as adrenaline-filled as he makes it sound. Luke's nightly task working for his stepfather's Washington think tank: Go undercover from the anonymous safety of his computer and seek ...

### **Trust Me by Jeff Abbott**

I have read most of Abbott's books and have like them all but I have to admit that I found this one a bit hard to get into and hard to keep my attention going through it. Back Cover Blurb: Luke Dantry tragically lost his parents when he was a teenager - his father was murdered by a crazed operative, his mother died in a terrible accident.

### **Trust Me by Jeff Abbott, Paperback | Barnes & Noble®**

Review: Jeff Abbott's stand-alone novel Trust Me is a fairly routine "chase" thriller that presents an intriguing supposition but never fully realizes its potential. The person being chased is Luke Dantry, the 24-year-old stepson of a think tank analyst, who's working on a project he refers to as Night Road, a plan to identify potential terrorists using online social networks.

### **Trust Me by Jeff Abbott, a Mysterious Review.**

Luke said, "I'm surprised you don't trust me. You always have." "And I always will. But the client set very specific parameters for me. If you worked for me full-time, were officially on the payroll, then maybe . . ." Henry gave a shrug, a half-smile. "I'm not a think-tank kind of guy." "Please.
