

United States Government Democracy Action Answer Key

United States Government Democracy Action

The Federal Government of the United States (U.S. Federal Government) is the national government of the United States, a federal republic in North America, composed of 50 states, a federal district, five major self-governing territories, and several island possessions. The federal government is composed of three distinct branches: legislative, executive, and judicial, whose powers are vested by ...

Federal government of the United States - Wikipedia

The United States is a federal republic in which the President, Congress and federal courts share powers reserved to the national government, according to its Constitution. The federal government shares sovereignty with the state governments.. The executive branch is headed by the President and is formally independent of both the legislature and the judiciary.

Politics of the United States - Wikipedia

Frequently, politicians, and many ordinary Americans, refer to the United States as a democracy. Others find this aggravating because, unlike in a democracy where citizens vote directly on laws, in the United States, elected representatives do - and, therefore, the U.S. is a republic.

United States: Republic or Democracy? - Today I Found Out

United States, officially United States of America, abbreviated U.S. or U.S.A., byname America, country in North America, a federal republic of 50 states. Besides the 48 conterminous states that occupy the middle latitudes of the continent, the United States includes the state of Alaska, at the northwestern extreme of North America, and the island state of Hawaii, in the mid-Pacific Ocean.

United States | History, Map, Flag, & Population ...

The United States is a Constitutional Federal Republic (a federation of states with a Representative Democracy). Despite a strong democratic tradition, the U.S. is not a "Direct Democracy" (where people vote on laws directly*).
